Upcoming Events – Christie Lasich and Randy Hood both provided brief comments about the “**Shooting at The Range**” event scheduled for Friday, January 22nd. The evening will begin with a safety meeting and instructions. There will be three courses of fire and a “shoot off”. Dinner at the Five Mile House will follow.

Bonco Night – February 20th – Larry Opel (standing in for Del Clement) stated that there would be a Buffet dinner at Bonco Night. Del will be sending out info shortly.

Cruise to Mexico – Karin Open handed out a flyer for another cruise to Mexico scheduled for April 18-25, 2010. Anyone interested should contact Karin.

WSSC Convention – May 5-9, 2010 – Anthony Halby provided information about activities slated for this year's convention to be held in Las Vegas again. This year's theme is “What Happens in Vegas, Stays in Vegas”! Ideas for the HSCC Hospitality Suite can be submitted to Rich or Anthony. Anyone interested in attending this fun filled event will find a registration form on the WSSC website.

Car Show – June 26, 2010 - Gary Hill has been working hard organizing the HSCC Type 5 car show which will be held at the Holiday Inn Express in Grass Valley. Gary was successful in obtaining a reduced room rate of \$119/night for out of towners planning to attend.

Gary provided samples of the flyer that will be used to advertise the event, as well as samples of award plaques. Gary will circulate flyers to neighboring clubs in the hopes that we will get 50-60 of them to register their corvettes. If we fall short of that goal, then HSCC members are welcome to register their corvettes.

Gary will be looking to HSCC members to help with securing radio and newspaper PSAs and circulating the flyers. There will be lots for the club to do as the date nears, including setup, goody bags, parking of autos, and assistance

with the “Walking Poker Run” planned for that day. A budget will be submitted in March.

Old Business – Rudy Antonucci reported that one of the editors at The Union Newspaper will be submitting an article along with pictures of our “**Charitable Giving Event**”. The article should be in the paper “soon”.

New Business – By Laws – President Rich Testa has formed a committee to review the club by-laws. After much “energetic” discussion, it was determined that the committee will be ready to discuss their possible suggestions for by-law changes at the May, 2010 meeting. Proper protocol will be followed.

Club Co-Sponsors – are **Rudy Antonucci’s Big O Tires** and **Winner Chevrolet**. The manager of Winner Chevrolet will be a guest speaker at the February meeting.

Open Rallye Race – Dave Garber informed the club about an Open Rallye Race to be held the weekend following the WSCC Convention in May. The race will be held on Silver State Route 318 in Nevada. This is a timed event from start to finish with autos racing at speeds up to and beyond 150 mph. He has planned a dinner at his home on February 15th to discuss requirements and other info regarding race. Anyone interested should contact Dave.

Raffle –Paul and Christie graciously took care of the monthly raffle. There were several nice prizes as usual.

The meeting was adjourned at 7:35 PM.
